

Prologue Chapter Review

This chapter is a review of Middle School Math and Science.

“It’s been a long summer”

Prologue Concepts

- Line graphs
- Bar graphs
- Circle graphs
- Independent Variable
- Dependent Variable
- Constant
- Indirect Relationship
- Direct Relationship

Prologue Concepts

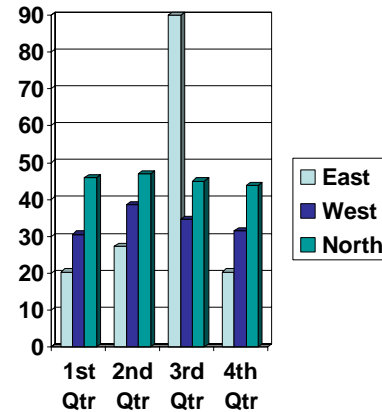

- Percent Error
- Exponential Notation
- Basic vs Derived Units of Measurement
- Observations
- Inferences
- Density
- Metric Units

Let's Review

- Line Graph

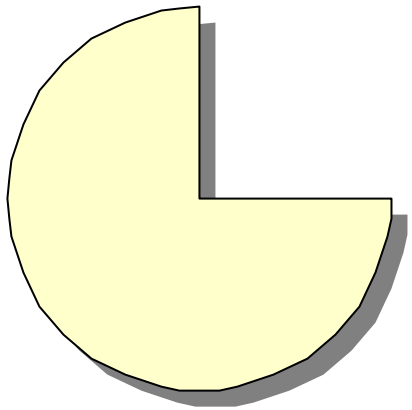

- Bar Graph

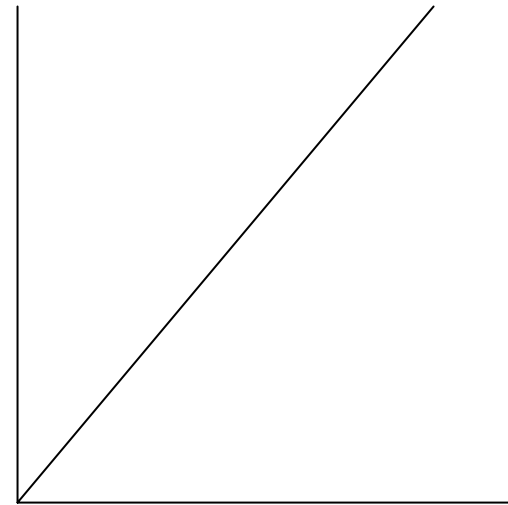

Review

- Circle Graph

- Direct Relationship

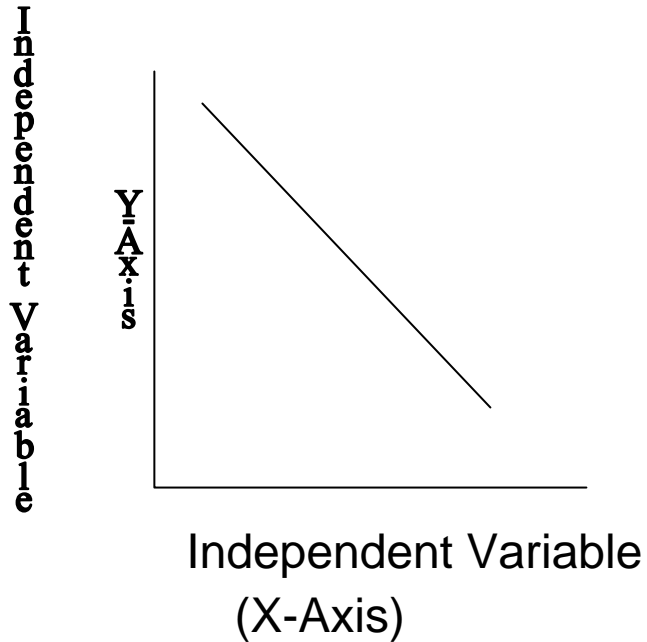

Dependent
Variable
(Y-Axis)

Independent Variable
(X-Axis)

Review

Indirect Relationship

- Constant Relationship
